

**Ofloxacin-BSA Conjugate**

Catalog number: 50020

Unit size: 1 mg

**Product Details**

---

Storage Conditions	Freeze (<-15 °C)
Expiration Date	12 months upon receiving

**Chemical Properties**

---

Appearance	Liquid
------------	--------

**Applications**

---

Ofloxacin-BSA Conjugate is used for developing anti-ofloxacin antibodies that are typically used in an ELISA assay. Ofloxacin-BSA Conjugate has multiple ofloxacin molecules on each BSA to maximize its immunogenicity.
